## Sensible Risk Solutions (Pty) Ltd FSP No 48159

### Undertaking to support Broad Base Black Economic Empowerment

Our reputation is the foundation of our success. If that foundation is poor, we will not have the strength to build on it. If it is strong we can grow with confidence. The directors, management and staff of Sensible Risk Solutions also adhere, support and abide fully with Broad Base Black Economic Empowerment for all South African business generally and specifically in the Financial Service sector.
